

ATTENTION TRAINING COORDINATORS

Enclosed is the AZ POST training calendar for January - June, 2007.

Class Enrolling Process

Training coordinators may submit Training Request Fax Forms for these classes upon receipt of this catalog!

All valid Training Request Forms received by the deadline of *January 2, 2007*, will be entered into a computer-generated “lottery” to fill each class. To ensure that each of the students are chosen fairly, the computer will randomly pick the order of the requests for each individual class.

To be eligible for the lottery, training coordinators must submit a [Training Request Fax Form](#) with the following:

- ☐ **Class name**
- ☐ **Class date**
- ☐ **Student’s complete name or “SLOT”**
- ☐ **Last four digits of student’s social security number**
- ☐ **Lodging needed – Yes or No**
- ☐ **Training coordinator’s signature**

If selected, agencies with 100 or more sworn officers will receive 2 slots. Agencies with less than 100 sworn officers will receive 1 slot per class.

All training requests received after the deadline will be placed on a waiting list, first-come, first-serve basis. Please only submit requests for those classes your agency needs.

Class Enrollment Process

Training coordinators may submit Training Request Forms for classes upon receipt of this catalog!

All valid Training Request Forms received by the deadline of **January 2, 2007 at 1700 hours** will be entered into a computer-generated "lottery" to fill each class.

To ensure that the students are chosen fairly, the computer will randomly pick the order of the requests for each individual class.

To be eligible for the lottery, Training Coordinators must submit a Training Request Fax Form (found on page 21) with the following:

- ☐ Class name
- ☐ Class date
- ☐ Student's complete name or "SLOT"
- ☐ Last four digits of student's social security number
- ☐ Lodging needed – Yes or No
- ☐ Training coordinator's signature

If selected, agencies with 100 or more sworn officers will receive 2 slots per class. Agencies with less than 100 sworn officers will receive 1 slot per class.

All training requests received after the deadline will be on a waiting list, first-come, first-serve basis.

Please only submit requests for those classes your agency needs.

WE ACCEPT REGISTRATIONS FORM THE AGENCY HEAD OR TRAINING COORDINATOR ONLY.

Class Enrollment Information

The Training Request Fax Form located on page 21 can be faxed, sent by U.S. mail or personally delivered to AZ POST. The agency's designated training coordinator or agency head must sign this form.

Fax: (602) 244-0477
Address: AZ POST
2643 East University Drive
Phoenix, AZ 85034

Agencies employing from 1 to 100 officers will be given one slot in an unfilled class. Agencies with 100-plus officers will be given 2 slots in an unfilled class. The number of officers employed by each agency is listed on pages 23 and 24.

If a Training Request Fax Form is received after the **January 2, 2007**, the lottery deadline, the student's name will be placed on a "Waiting List." If there are any cancellations, we will add students from the "Waiting List" and the Agency Training Coordinator will be notified.

The "Waiting List" is good for this calendar only. It does not carry forward to future calendars.

The Board can only use its funds to train Arizona certified peace officers. By law, the Board cannot use its funds to train civilians or officers employed by the following organizations: Arizona Department of Corrections; Arizona Department of Juvenile Corrections; Railroad Police; and Central Arizona Water Conservation District.

Students must attend the entire class in order to receive training credit. If the student is unable to attend the entire course, please reschedule the student.

Confirmation letters notifying Agency Training Coordinators of those officers enrolled in a class will be faxed to the Training Coordinators approximately two weeks prior to the start of class. If a confirmation is not received, the officer has been moved to the waiting list. Confirmation of someone on the waiting list will not be made until a slot becomes available, such notification may be at the last minute.

Once the Training Coordinator receives the confirmation letter, please call AZ POST to confirm the officer's attendance in the class or fax the confirmation cover page back to AZ POST.

Please note that sending in a Training Request Fax Form does not guarantee a position in a class. We usually have far more requests than slots in a class. Students are not enrolled in a class until the confirmation letter is received by the agency from AZ POST.

If you have questions, please feel free to contact the In-Service Training Unit: (602) 223-2514

Course Descriptions

Advanced Collision Investigation

40 Hours - Continuing Training Credit

This course is for the officer who has a working knowledge of basic collision investigation or is currently assigned to a collision investigation position within their department. Emphasis is placed on providing the investigator with advanced skills in recognizing elements of physical evidence, which if properly collected at the scene and recorded, will allow prosecutors to successfully prosecute criminal or civil traffic offenses arising out of the collision. Each student will be required to perform basic mathematical calculations in computing speed from physical evidence. A basic comprehension of math is required. (Use of the Northwestern Traffic Institute template will simplify the math considerably). The student will be required to pass a final examination to successfully complete the course. Major items to be covered in this course are: evidence found on the road, evidence found on the vehicle, the human factor and the driving process, in-depth analysis of friction and drag factors, scale diagramming techniques, speed calculations using skid, scuff and critical speed scuff, braking efficiency problems, case studies, field exercises to study tire marks and vehicle dynamics.

Date: February 19 - 23, 2007

Location: AZ POST

Background Investigation / AZ POST Audit Process

16 Hours - Continuing Training Credit

This is a basic course designed for the new or occasional pre-employment background investigator. Topics covered in the program include methodology of conducting background investigations for the selection of quality applicants; resources that are available to the investigator; interviewing techniques; legal considerations in the background investigation process; AZ POST Rules, for recruitment and retention of officers; reporting requirements; and case studies.

Date: January 24 - 25, 2007

Location: Mesa P.D. Training Academy

Basic Crime Scene Investigation

16 Hours - Continuing Training Credit

This course is for new officers or as a refresher course for officers in BASIC CRIME SCENE INVESTIGATION. This class will cover basic procedures for searching, photographing, sketching/diagramming and fingerprinting a crime scene and what to look for and how to identify evidence at a crime scene, to include collection, preservation and impounding procedures.

Date: June 13 - 14, 2007

Location: AZ POST

Basic Criminal Investigations (New Course)

2007 DISTANCE LEARNING DVD SCHEDULE

AZ POST has transitioned from satellite broadcast to DVDs for the Distance Learning program. All future programs will be distributed via DVD.

Copies will be distributed according to a pre-determined formula. An agency will receive one DVD for every twenty officers; however, if you would like more copies, please contact Rosalee Fitch at 602-223-2514 or at rfitch@azpost.gov. Your agency may also make copies of the DVD for non-commercial, law enforcement training purposes only.

The DVD will be able to be viewed with a DVD /Television Player or with a computer which is equipped with a DVD player. This allows the agency to present the training to a group or to individual officers at their own convenience. The DVD has been divided in sections which will readily allow it to be incorporated into daily briefings/roll-call training or it may be used in 2 hour training sessions. The reference material, and instructions on how to access them, will be included on the DVD, or on a separate CD.

A Program Compliance Confirmation form will be provided on the DVD, or on a separate CD. It will be program specific and must be signed by each officer. This form must also be signed by his or her supervisor or the designated agency training coordinator as confirmation of viewing. A copy should be placed into the officer's training file for audit purposes and we always suggest the officers retain their own copy.

Human Trafficking

4 Hours – Continuing Equivalency Training Credit

This course in Human Trafficking is designed to discuss following aspects of Human Trafficking:

- ❖ Nature and scope of Human Trafficking
- ❖ Differentiating between Human Trafficking and Human Smuggling
- ❖ Victim identification and rescue issues
- ❖ Investigative and legal issues
- ❖ Promotion of community involvement and response

Officers will come away with a basic knowledge of the scope and serious nature of Human Trafficking and the initial steps needed to care for victims and to identify and prosecute suspects. Experts who work in the field will be on hand to instruct and to answer questions regarding the topic.

For more information contact: Detective Dan Elting (602) 223-2514

Leadership Development Program

40 Hours – Continuing Equivalency Training Credit

This program is designed to give police leaders, public administrators, citizens and elected officials the opportunity to learn about current leadership issues and practices in a community policing environment. Students will learn how individuals, groups, and organizations can play strategic roles in fostering public safety and a sense of well-being in our communities.

Police Supervision I Class

40 Hours – Continuing Equivalency Training Credit

The AZ RCPI has created a series of supervision classes to replace the previous AZ POST Basic Supervision program. The dates and location for the Police Supervision I class will be announced during this calendar via fax to the Agency Training Coordinators. The prerequisite for the Police Supervision I class is a student who was recently promoted or on a waiting list to be promoted in the very near future. Both sworn and civilian supervisors may attend this AZ RCPI class, but hotel and per diem will not be granted for non-sworn personnel. AZ RCPI has created this comprehensive supervision series to foster a life-long practice of leadership in police organizations. The class will be held in both the northern and southern parts of the State as well as the metro-Phoenix area throughout 2007.

For more information contact: Detective Dan Elting (602) 223-2514

Police Supervision II Class

40 Hours – Continuing Equivalency Training Credit

The dates and location for the Police Supervision II class will be announced during this calendar via fax to the Agency Training Coordinators. The prerequisite for the Police Supervision II class is a student who has been actively supervising employees for at least 3 years. Both sworn and civilian supervisors may attend this AZ RCPI class, but hotel and per diem will not be granted for non-sworn personnel. AZ RCPI has created this comprehensive supervision series to foster a life-long practice of leadership in police organizations. The class will be held in both the northern and southern parts of the State as well as the metro-Phoenix area throughout 2007.

Domestic Violence Training

The Office of Community Oriented Policing Services (COPS) partnered with the Federal Law Enforcement Training Center (FLETC) and developed a Domestic Violence Curriculum. However, taking into consideration the needs of the agencies around the state, we are happy to customize the curriculum content and time, based on your needs.

For more information contact: Sergeant Christel Boeck (602) 223-2514

Topics include:

All In the Family: Connecting Animal Cruelty and Family Violence

This 4-hour class will discuss humane education, why children abuse animals and how the perpetrators use animals as part of power and control.

Community Policing to Reduce Domestic Violence

This 8-hour class is designed to explore and implement strategies that reduce domestic violence through community partnerships and problem solving.

Community Policing to Reduce Domestic Violence in Tribal Communities

This 4-hour class addresses the unique challenges of domestic violence in tribal communities.

Developing a Community Coordinated Response

This 8-hour class will discuss the needs and benefits of a local coordinating council, roles and responsibilities of council members, conducting a needs assessment and strategic planning for your community.

Domestic Violence in the Workplace

This 3-hour class will focus on the fact that domestic violence does not only occur in the home, but comes into the workplace. Discussion will focus on recognizing the threats of the situation and identifying the employer's responsibilities to ensuring the victim's safety as well as the safety of all employees.

Dynamics of Domestic Violence

This 2-hour class is designed to provide participants with an understanding of factors contributing to domestic violence and the skills to identify types of physical, sexual and emotional abuse. Participants will learn how to identify factors that impact victim safety, survival skills and options for victims, and methods for offender accountability.

Evidence Gathering

This 2-hour class will provide participants with an overview of the evidentiary value of the domestic violence crime scene. Participants will increase and enhance their current skills related to initial and follow-up assessments, documentation, preservation, and utilization of various types of evidence.

Full Faith and Credit

This 4-hour class is intended to enhance victim safety and prevent future violence through enforcement of protection orders. The Full Faith and Credit clause of the Violence Against Women Act enhances the ability to enforce protection orders through partnerships, education and collaboration.

Predominant Aggressor

This 2-hour course will familiarize participants with the legal issues related to identifying the predominant aggressor for the purpose of reducing mutual/dual arrest.

Safety Planning

This 4-hour course will prepare participants to identify resources and to engage the community to enhance safety for victims, victim's children and the community.

Sharing and Accessing Information

This 4-hour class will provide participants with ideas and best practices of multi-disciplinary information sharing systems used to address domestic violence.
